

PHILPOTTS INTERIORS

AUTOCAD / REVIT DRAFTER

Philpotts Interiors is a Hawaii based interior design firm with an exciting portfolio of projects ranging from high end residential, hospitality, commercial/office to healthcare facilities. We are seeking an experienced AutoCAD / REVIT Drafter to work with designers and project managers. Must have good knowledge of the latest AutoCAD /REVIT programs, a positive attitude and ability to communicate with others.

The responsibilities of this position include, but are not limited to:

- Reading and understanding specifications, mechanical drawings, blueprints and sketches
- Specifying dimensions, materials and procedures
- Understanding materials strengths and specify material gauges on drawings
- Understanding and being able to explain design concepts with other designers/drafters
- Effectively communicate and share information with colleagues as part of the design process
- Proficient in REVIT
- Experience in producing complete sets
